

United States Department of State

Washington, D.C. 20520

NOV 21 2003

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles or defense services sold commercially under contract in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export to South Korea and Germany of technical data, defense services and hardware for the integration of the Korean Electro-Optical Tracking System into the Korean Flying Tiger Vehicles for end-use by the Republic of Korea Army.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, reading "Paul V. Kelly". The signature is fluid and cursive, with the first name "Paul" and last name "Kelly" clearly legible.

Paul V. Kelly
Assistant Secretary
Legislative Affairs

Enclosure:

Transmittal No. DTC 110-03

The Honorable

J. Dennis Hastert,

Speaker of the House of Representatives.
